The authors would like to thank all the team at Macmillan Education in the UK and worldwide for everything they have done to create *New Inspiration*. We are most grateful to Celia Bingham for editing the Student's Book, to Helena Gomm for revising the Workbook, and to Rachel Bladon and Anna Cole for the Teacher's Book. We would also like to thank James Richardson for his usual great skill in producing the recorded material, and the actors who appear on the recordings and bring the book to life.

We owe an enormous debt of gratitude to teenage students and their teachers in many different countries who welcomed us into their classrooms and contributed so much to the formation of *New Inspiration*. In particular we would like to thank teachers and classes in Argentina, Greece, Italy, Poland, Spain, Switzerland, Turkey and Uruguay. We are equally indebted to all those participants on teacher training courses in Europe, South America and elsewhere from whom we have learnt so much, in particular British Council courses in the UK and overseas, and courses at the University of Durham and NILE in Norwich.

The authors and publishers would like to express their great thanks to all those who commented on syllabus and materials for *New Inspiration* and provided feedback on their use of *Inspiration*, in particular: Fatiha Ajaoui, M<sup>a</sup> Angeles Ramiro Alvarez, Alejandro De Angelis, Asun Armendáriz, Roseli Franco Babor, Cristina Ceratti Bo, Monika Bucher, Barbara Chuck, Bilsev Demir, Anastasia Egorova, Yolanda Elscner-Fischer, Pia Ertlin, Nadine Fesseler, Katharina Fischer, Joe Hediger, Lisbeth Heinzer-Föhn, Alda Heloisa Santoyo Garcia, Anna Häfliger-Schmidlin, Mgr.
