

## Bridge Of Light (Billy Mann, Alecia Beth Moore)

### Intro

1. Just when you think hope is lost  
And giving up is all you got  
Blue turns black, your confidence is cracked  
There seems no turning back from here  
Sometimes there isn't an obvious explanation  
While the holiest stars can feel the strongest palpitations
- R. That's when you can build a bridge of light - that's  
What turns the wrong so right - that's  
When you can't give up the fight  
That's when love turns nighttime into day - that's  
When loneliness goes away - that's  
Why you gotta be strong tonight  
Only love can build us a bridge of light
2. On your feet, I made a storm  
And you're convinced that you're all alone  
Look at the stars, it's straight up the dark  
You'll find your heart shines like the sun  
Let's not let their anger get us lost  
And the need to be right comes as way to high of costs
- R. That's when love can build a bridge of light - that's  
What turns the wrong so right - that's  
When you know it's worth to fight  
That's when love turns nighttime into day - that's  
When loneliness goes away - that's  
When you gotta be strong tonight  
'cause only love can build us a bridge of light
- B.**
3. Deep breath, take it on the chin  
But don't forget to let the love back in
- R. That's when love can build a bridge of light - that's  
What turns the wrong so right - that's  
When you can't give up the fight  
And that's when love turns nighttime into day - that's  
When loneliness goes away - that's
